Story 1

This map represents the 2..

This map demonstrates the ind..

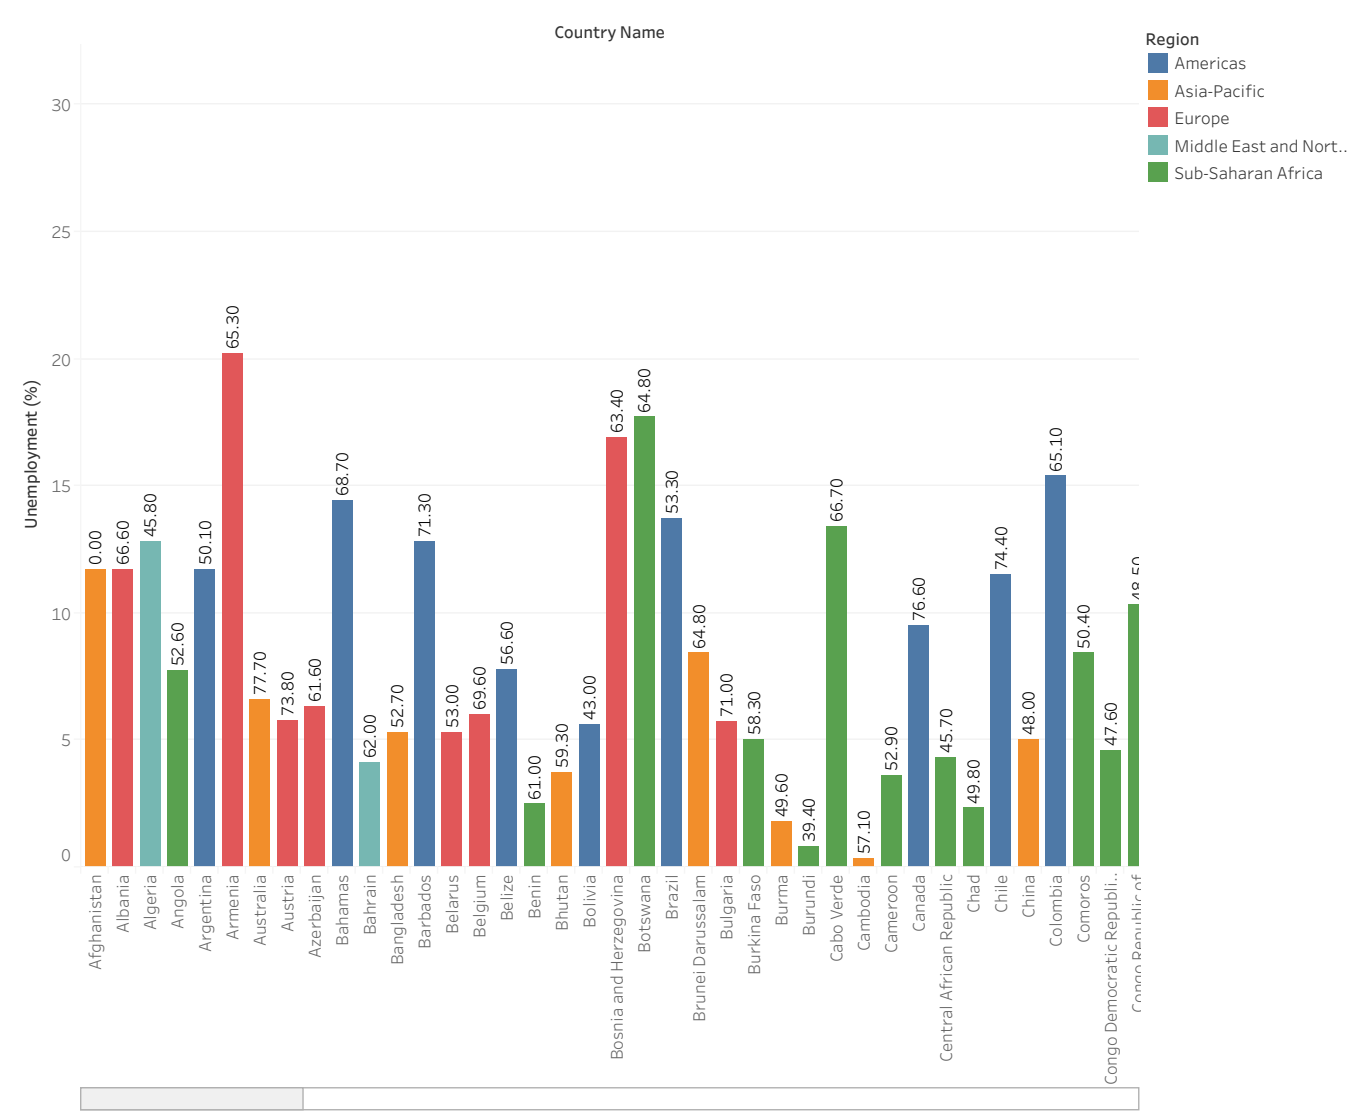

This map shows the index of Bottom ranki..

This column graph represents the Index ..

This gaant graph represents thee index..

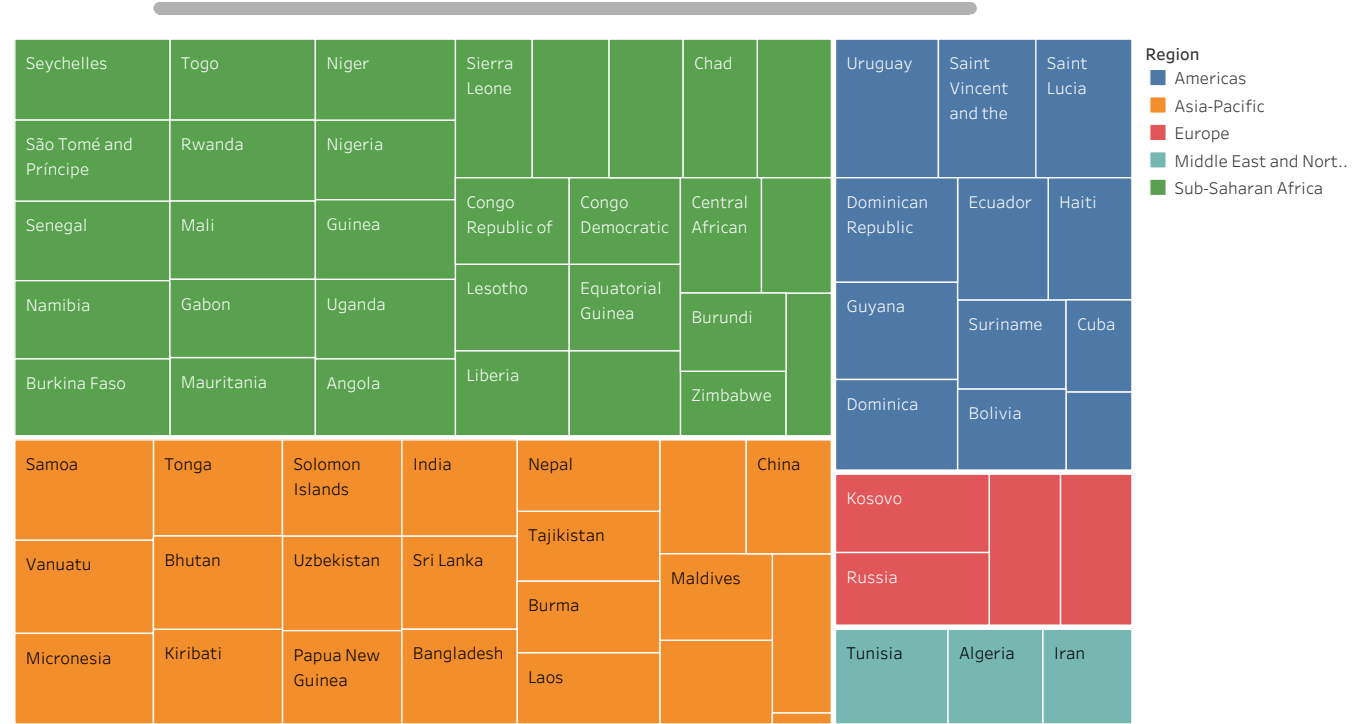

This graph represents the index score based..

This gaant graph demonstrates the i..

Story 1

This map demonstrates th..	This map shows the index of Bottom ranki..	This column graph represents the Index ..	This gaant graph represents thee index..	This graph represents the index score based..	This gaant graph demonstrates the ind..	This area graph shows the inflation..
----------------------------	--	---	--	---	---	---------------------------------------

Story 1

This map shows the index of Bott..

This column graph represents the Index ..

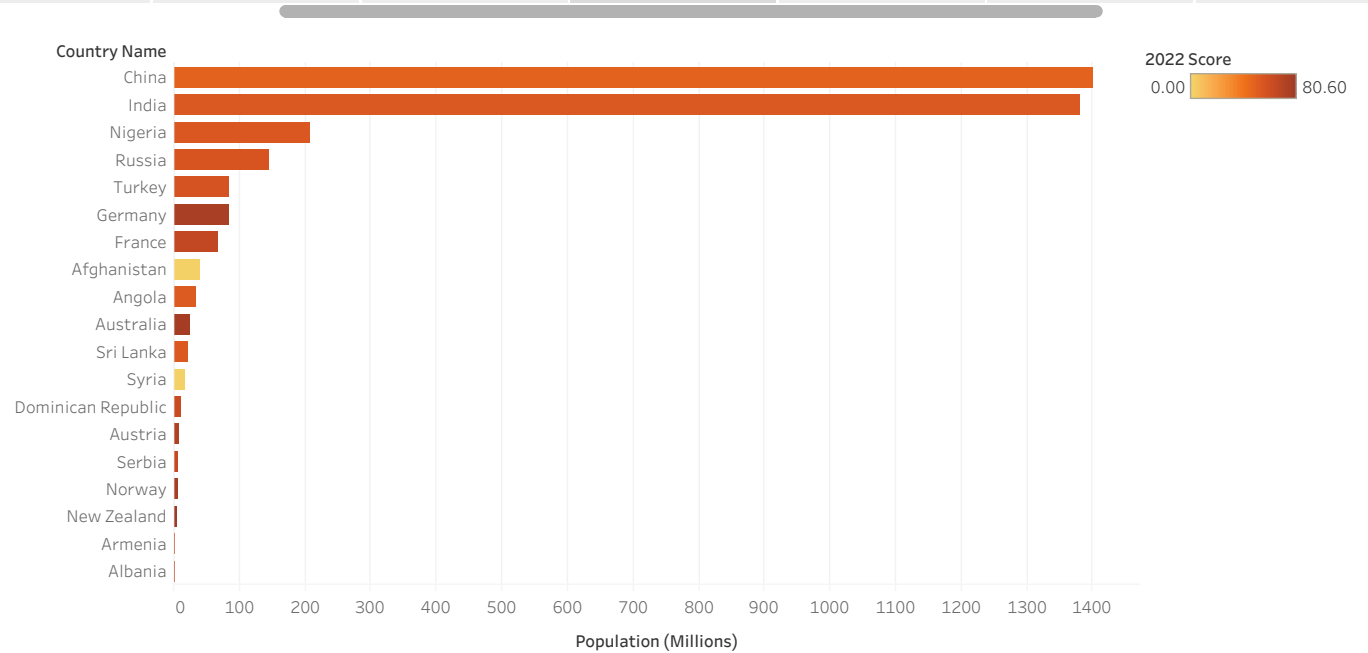

This gaant graph represents thee index..

This graph represents the index score based..

This gaant graph demonstrates the ind..

This area graph shows the inflation rate in di..

This line graph represents the corr..

Story 1

This column graph represent..

This gaant graph represents thee index..

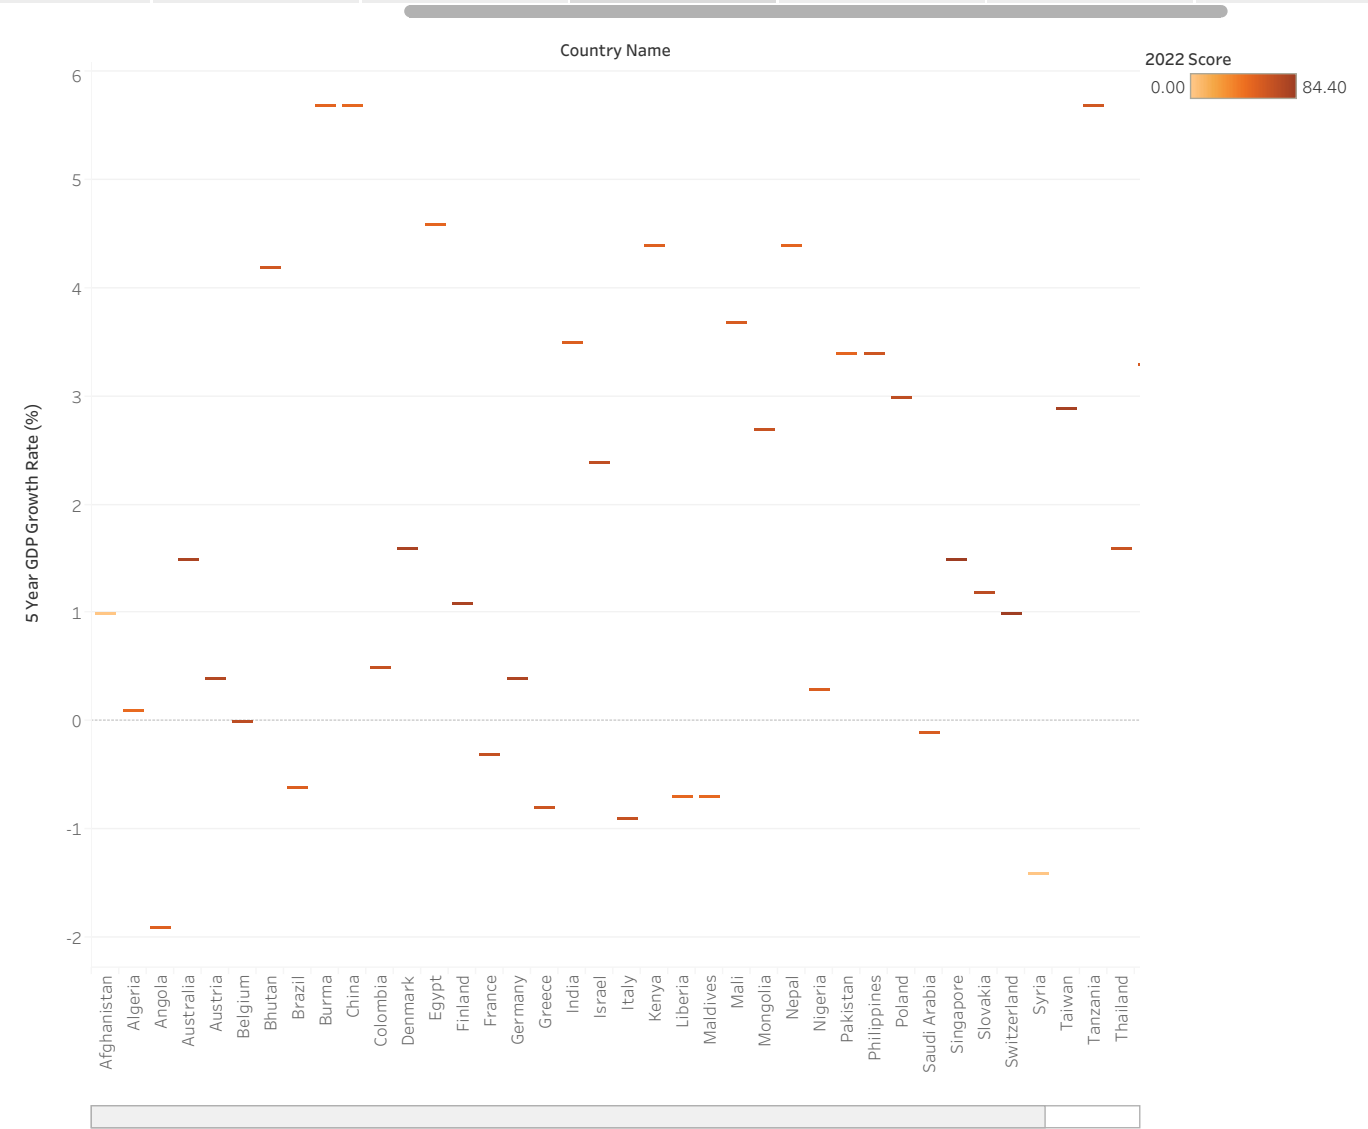

This graph represents the index score based..

This gaant graph demonstrates the ind..

This area graph shows the inflation rate in di..

This line graph represents the correl..

This line graph shows the correlati..

Story 1

This gaant graph represents thee ..

This graph represents the index score based..

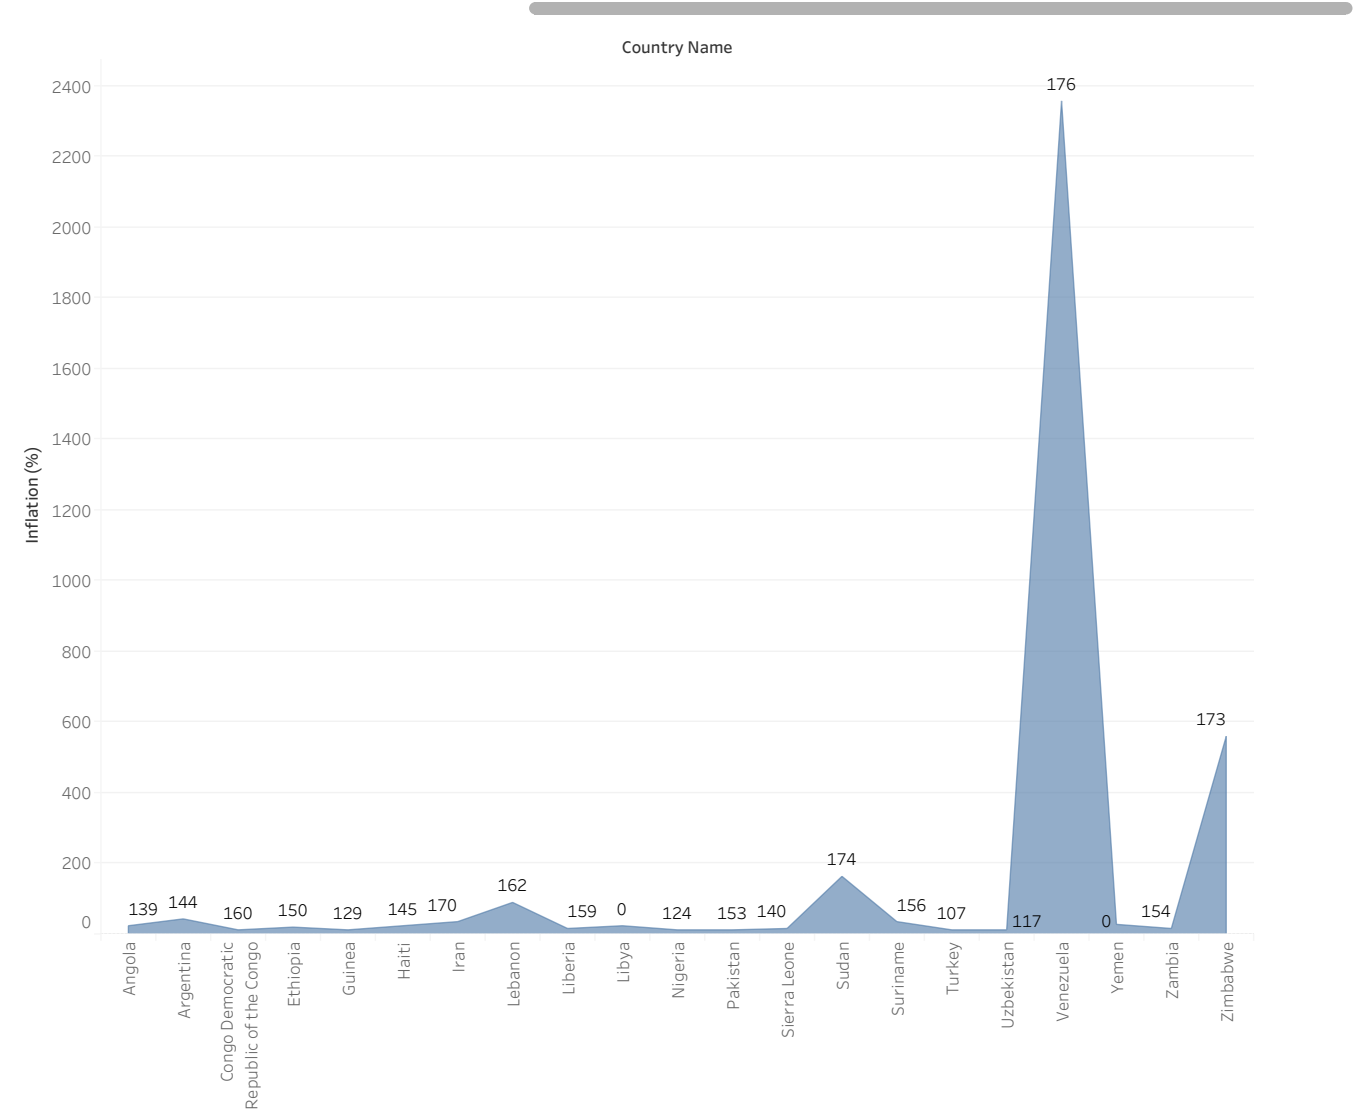

This gaant graph demonstrates the ind..

This area graph shows the inflation rate in di..

This line graph represents the correl..

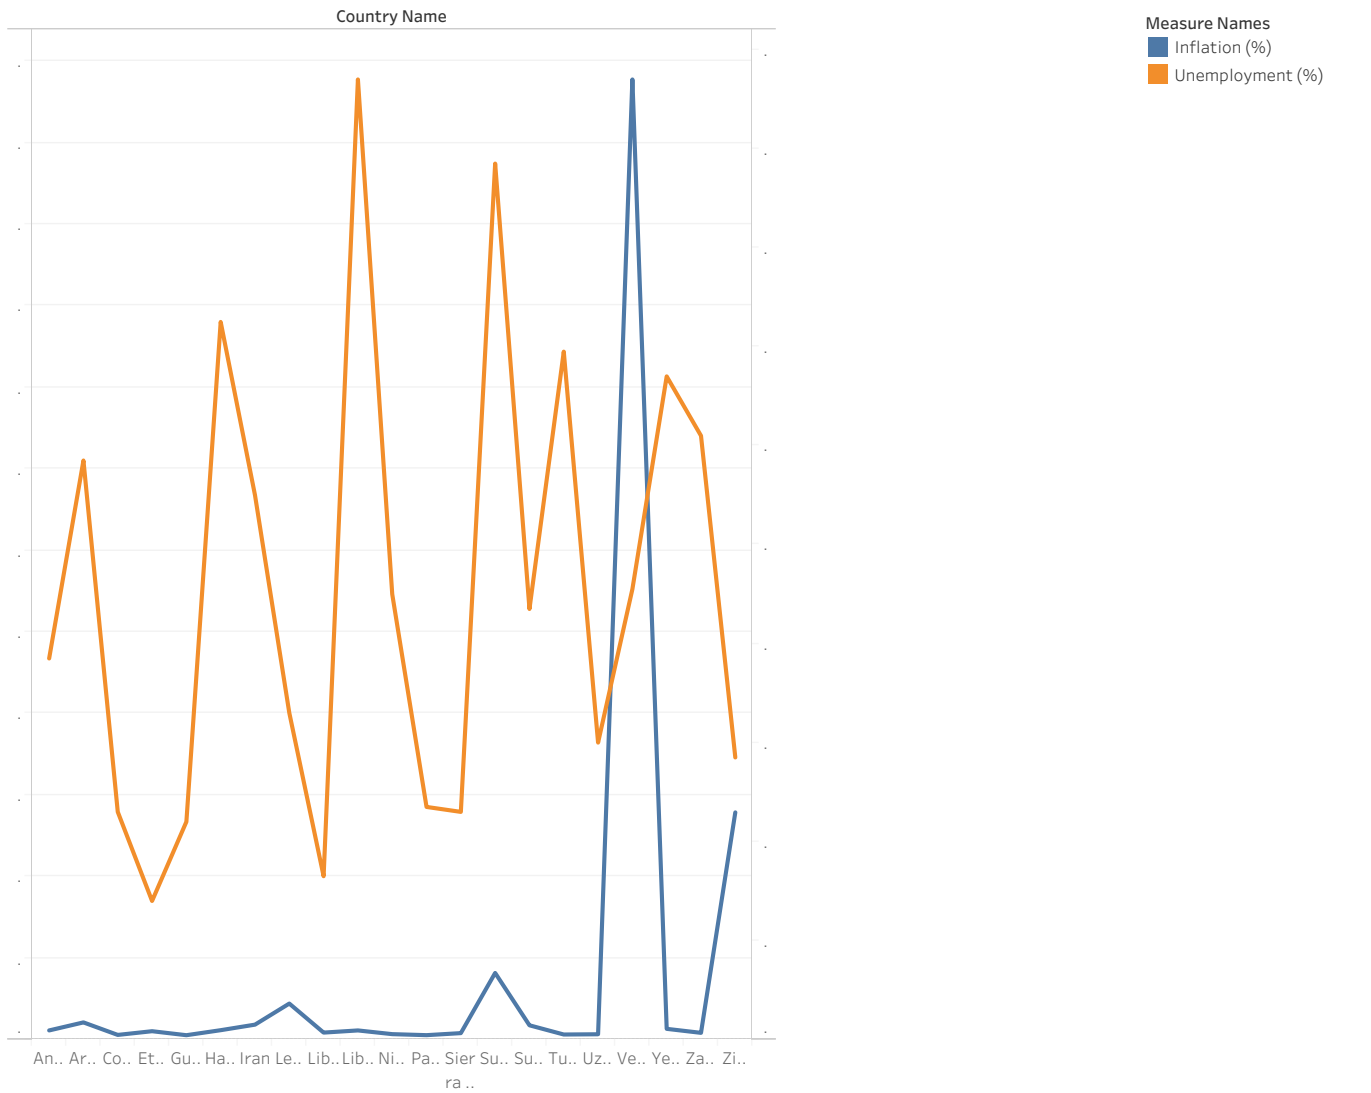

This line graph shows the correlation betwe..

This graph represents the GDP..

Story 1

This gaant graph repre..	This graph represents the index score based..	This gaant graph demonstrates the ind..	This area graph shows the inflation rate in di..	This line graph represents the correl..	This line graph shows the correlation betwe..	This graph represents the GDP growth rate ..
--------------------------	---	---	--	---	---	--

Story 1

This gaant graph repre..

This graph represents the index score based..

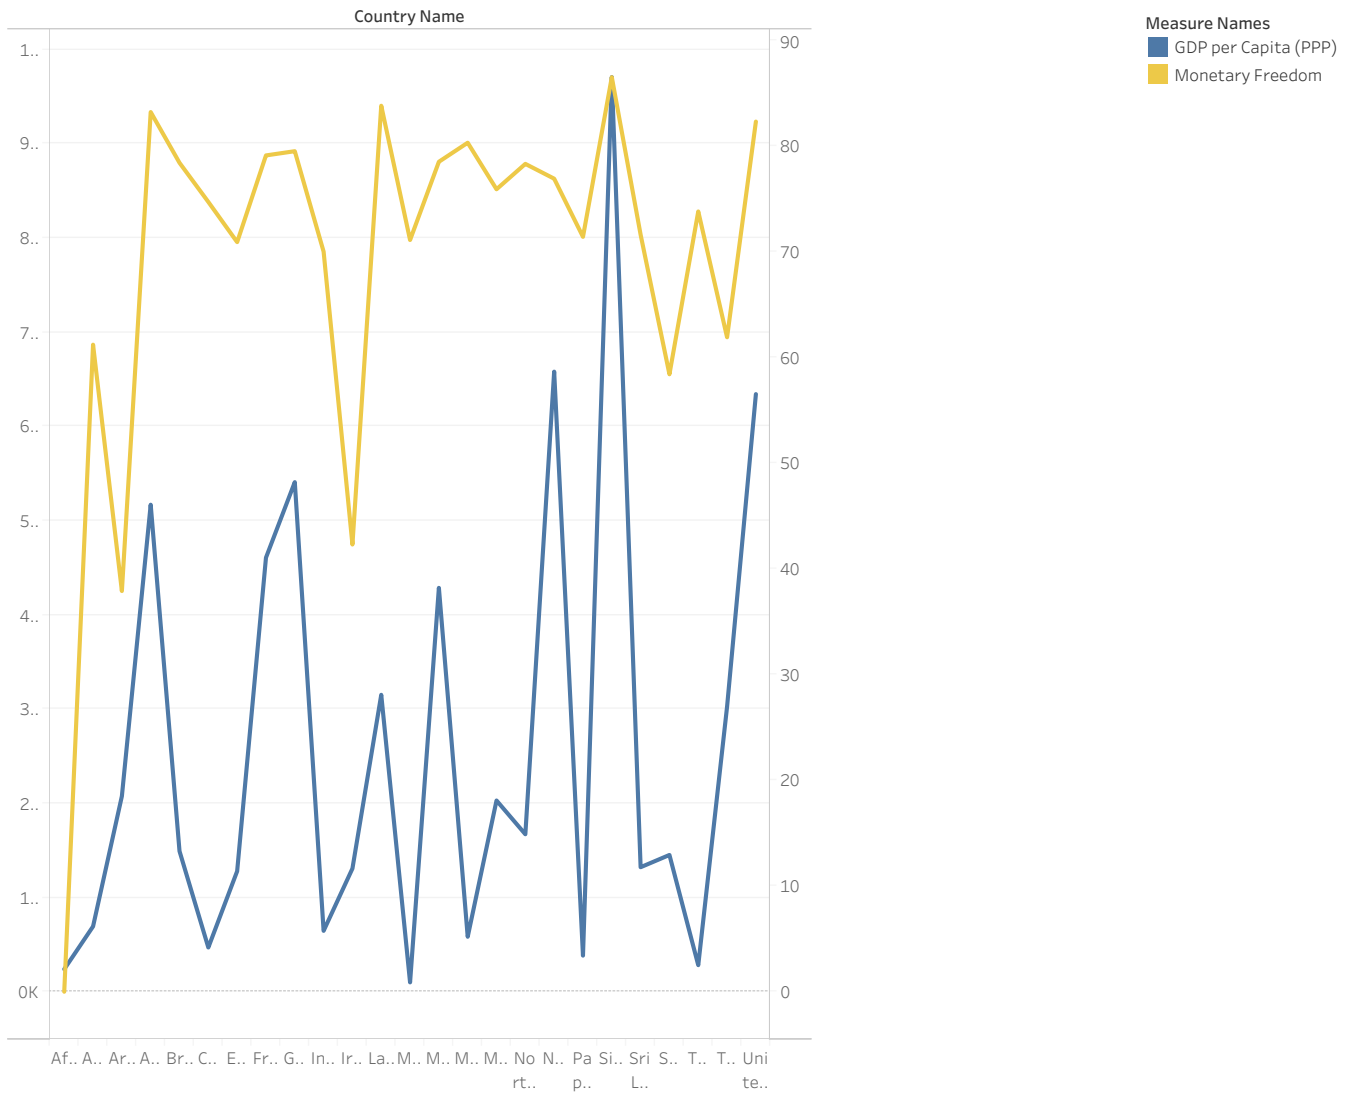

This gaant graph demonstrates the ind..

This area graph shows the inflation rate in di..

This line graph represents the correl..

This line graph shows the correlation betwe..

This graph represents the GDP growth rate ..

Story 1

This gaant graph repre..

This graph represents the index score based..

This gaant graph demonstrates the ind..

This area graph shows the inflation rate in di..

This line graph represents the correl..

This line graph shows the correlation betwe..

This graph represents the GDP growth rate ..
